

## Task for *Here on Earth*

### Activity: Immediate response (Paper Ball Throwing)

#### Table for sorting and classifying class responses

Take the paper ball throwing slips allocated to you and use the information to sort and classify the information contained on them. Type directly into the *Word* document.

Extent to which students are persuaded (Tally the number of responses)	Reasons persuaded (Categorise reasons under one of the sub-headings)
Persuaded by Flannery	Reasons related to: Logic of the argument Credibility of the author Language and techniques Personal beliefs, values etc.
Partially persuaded by Flannery	Reasons related to: Logic of the argument Credibility of the author Language and techniques Personal beliefs, values etc.
Not persuaded by Flannery	Reasons related to: Logic of the argument Credibility of the author Language and techniques Personal beliefs, values etc.
Messages (Group these according to types of message, e.g. scientific, social, environmental, personal, economic, related to reading practices. Add cells as required.)
