

Character	Response to images	Line from early in the play	Line from later in the play	What do you think she learns or realises?	How does she change? Where/when?
<b>MAE</b>					
<b>CRESSY</b>					
<b>NONA</b>					

Response to images: for each character, list some words that describe how they look in each photo; for example, strong, sad, lost, defiant...

Lines from earlier/later: note dialogue that shows motivation or attitude to the other characters, to try and track how this evolves in each character as the play progresses.
