

## Task for *Reg Saunders: an Indigenous War Hero*

### How to take notes from a biography

Extract information about Reg Saunders' own personal story (his biography) and organise it on the vertical timeline below.

The language functions most important in a biography are cause and effect (what caused the significant events in this person's life?) and time-order (usually chronological order). These can be noted on the timeline.

<p><b>Orientation:</b> Name of person Explain why famous (use cause–effect signals to link the ideas.)</p> <p><b>Series of events:</b></p>  <p><b>Reorientation:</b></p>	<p>Record notes on a vertical timeline.</p> <p>(Use time order signals to link ideas.)</p> <p>(Use cause–effect signals to explain the influences on his life.)</p> <p>Restate why Reg Saunders is famous and explain his contribution to Australian society today.</p>
