Reading Australia has been created just for teachers, with online resources written by teachers to help you explore a wealth of Australian stories for all ages – from Foundation to Senior Secondary.

At www.readingaustralia.com.au you will discover:

- **More than 150 resources** mapped to the Australian Curriculum, which include classroom activities, discussion questions, printable worksheets, and example assessment tasks.
- **100 fascinating essays** from highly-acclaimed Australian writers, academics and literary critics, such as Germaine Greer, Malcolm Knox and Alice Pung.
- **Video and podcast interviews** with some of Australia's best-loved writers and illustrators, created in partnership with ABC Splash and The Garret.
- **Useful links** to academic research, publications and AustLit Trails, which are curated collections of information about selected books.
