

## Task for *Burial Rites*

### Gender representation

#### Representations of femininity:

Identify the representations and how they contribute to our reading of the novel.

Representation and underlying power/ideology	Quotation and techniques	How it (technique) represents femininity in this way

- Are these traditional representations of femininity? How do they invite readings of power?
- Are the representations of femininity consistent throughout the text?

#### Representations of masculinity:

Identify the representations and how they contribute to our reading of the novel.

Representation and underlying power/ideology	Quotation and techniques	How it (technique) represents masculinity in this way

- Are these traditional representations of masculinity? How do they invite readings of power?
- Are the representations of masculinity consistent throughout the text?
