

DESIGN A DUMPLING CREATIVE RESPONSE

PROCEDURE

01

In this task you will be creating an imaginative recipe which is a guide to YOU and your identity. In *Dumpling*, we discover the different layers that make up Anna's identity. Now it's time to share yours!

02

The recipe will be a digital poster just like this one, which includes the **RECIPE OF ME** you have designed. You might use Canva, Adobe Spark, PicCollage or another app.

03

Include the **ELEMENTS** (ingredients) as a list, and the **PROCEDURE** as a short explanation or reflection on how these elements have shaped you.

ELEMENTS

THE WRAPPER - *What are the obvious features that make you, you? Physical, cultural, family etc.*

THE VEGETABLES - *What are the good bits about you, your positive traits and talents?*

THE SUBSTANCE - *What are the most important things in your life?*

THE SECRET INGREDIENT - *Something that most people don't realise about you*
